DRINKS

Welcome

It is with great pleasure and pride that Astra offers a vast selection of beverages, including aged cellared treasures from Alpine areas across the globe.

Astra's entire cellar collection is housed in a subterranean wine cellar, which is carved into the east facing sandstone slope, keeping the wines at their optimal temperature in naturally perfect conditions.

If you would like a tour, don't be shy! Our team will be quick to say, "please follow me this way".

We invite you to reserve a personalised cellar experience, which includes a selection of food and wine packages, curated by Astra's Head Chef and Sommelier.
