DRINKS

Welcome

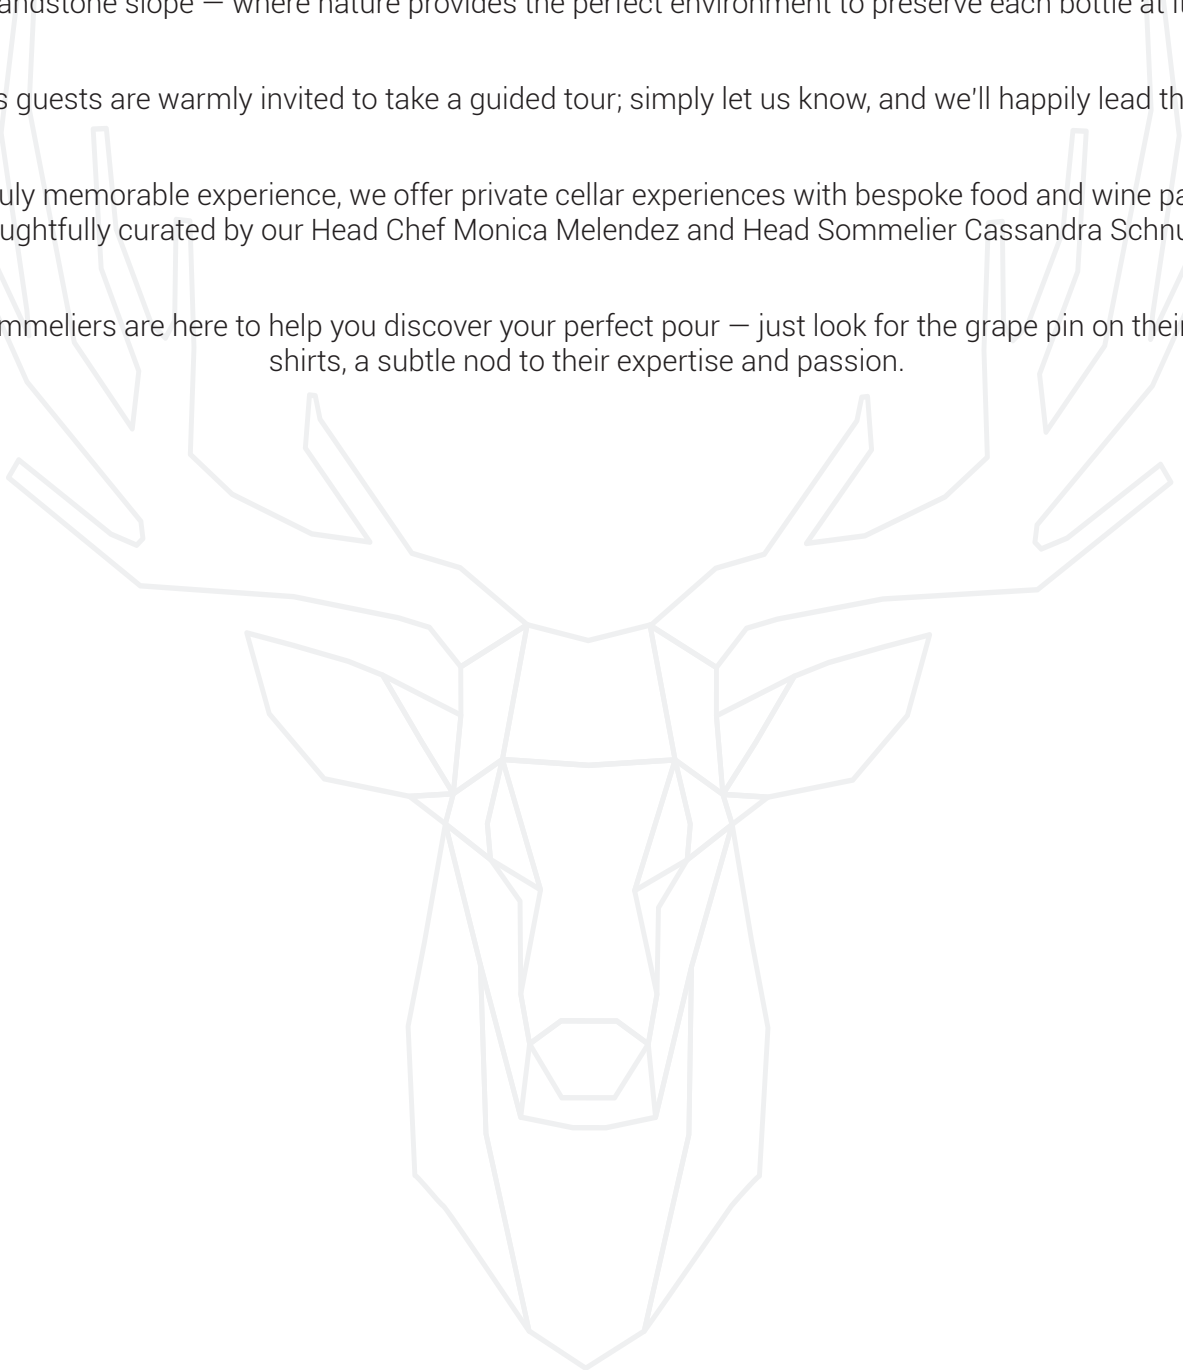

With great pleasure and pride, we welcome you to explore Astra's extensive beverage selection, featuring aged treasures from alpine regions around the world.

Our entire cellar collection is housed in a purpose-built, subterranean wine cellar — carved into the east facing sandstone slope — where nature provides the perfect environment to preserve each bottle at its peak.

Curious guests are warmly invited to take a guided tour; simply let us know, and we'll happily lead the way.

For a truly memorable experience, we offer private cellar experiences with bespoke food and wine pairings, thoughtfully curated by our Head Chef Monica Melendez and Head Sommelier Cassandra Schnurr.

Our Sommeliers are here to help you discover your perfect pour — just look for the grape pin on their Astra shirts, a subtle nod to their expertise and passion.

— WINE BY THE GLASS —

Let us pour you something perfect...

Our wine by the glass selection evolves daily, shaped by what's open, what's seasonal, and what pairs beautifully with the menu.

Rather than choosing from a fixed list, simply share a few words with our Sommelier and they'll find the perfect pour to match your mood.

It's a conversation, not a menu. And yes, we really love wine.
